SUMMARY

Computer Science graduate with hands-on experience in Java, SQL, and object-oriented programming. Built practical projects including CRUD-based applications and real-time chat systems, applying concepts like multithreading and JDBC for structured data handling. Familiar with Spring Boot and MySQL for backend development, and eager to learn and contribute to scalable enterprise solutions while writing clean, maintainable code.

EDUCATION

Bachelor of Technology in Computer Science & Engineering |2021 – 2025
Gates Institute of Technology, Gooty CGPA /
Percentage: 70%

Intermediate (MPC) | 2019 – 2021
SSGS Junior Aided College, Guntakal
Percentage: 61%

SSC (Class X) |2018 – 2019
Dr. Rajendra Prasad MPL School
Percentage: 83%

TECHNICAL SKILLS

Core Skills: Java (Strong), OOPs, Multithreading, Collections Framework
Programming Languages: Java, Python (Basics), JavaScript
Backend Development: Spring Boot
Web Technologies: HTML, CSS, JavaScript
Database: SQL (MySQL)
Tools: Eclipse, VS Code, Jupyter Notebook

PROJECTS

Employee Management System (Full Stack)
- Built a Spring Boot + React application with CRUD operations and role-based authentication.
- Designed REST APIs and integrated with MySQL for secure data storage.
- Delivered a responsive dashboard for HR workflows.

E-COMMERCE PLATFORM (JAVA + SPRING BOOT)
- Developed product catalog, shopping cart, and order management modules.
- Implemented JWT authentication and simulated payment gateway.
- Applied microservices principles for scalability and modularity.

CERTIFICATES

CLOUD COMPUTING — NPTEL 07/2024 - 09/2024
Completed 12-week NPTEL certification in Cloud Computing covering IaaS, PaaS, SaaS, virtualization, scalability, and cloud security. Scored 78%.

JAVA FULL STACK DEVELOPMENT — JSpiders 09/2025 - 03/2026
Completed comprehensive training at JSpiders, Marathahalli, Bangalore, specializing in building web applications using Java, JSP, Servlets, HTML, CSS, JavaScript, and SQL. Gained knowledge in Core Java, Advanced Java, and database integration, and developed skills in designing and developing dynamic web applications.
